Why STA?

STA has a highly experienced corporate team, providing commercially sound and cost effective legal advice in a wide range of complex corporate as well as commercial transactions. At STA, we strongly believe 'Good is not good enough'; we aim to set high standards in the legal profession.

GLOBAL COMPANY FORMATION

At STA, we're not just commercially-minded; we're entrepreneurial, clear and also result oriented. At STA, we render legal advice that is timely, practical and individually tailored to meet specific requirements of our clients.

We don't simply form companies. We pay careful attention to varied aspects of formation. We deploy our senior associates and associates to carefully understand clients' requirements. We brainstorm and discuss the right structure, the right entity type or the legal form, tax implications, and shareholder structuring. We draft necessary business plans, forms, and contracts including shareholders' agreement, management contracts and other necessary documents to ensure that contentious shareholder disputes are best avoided. That is why we call '**expansion beyond horizon...**'
